What's New?

OnGreen China Capital Roadshow

Starting in May, OnGreen is leading a roadshow where up to 30 top cleantech companies from our site will meet with 20-30 Chinese investors from the public and private sectors. Twenty OnGreen companies will be selected for the Hong Kong Trade Development Corp investment mission in Los Angeles, and 30 will be selected for a trip to Shanghai in late June.

How to Apply

Spotlight Entrepreneur Revolutionizing the Way We Farm

One of OnGreen's featured deal, Home Town Farms, LLC, is already becoming a disruptive, high-margin, energy efficient urban farming and retail business. Home Town Farms has entered into an agreement with [Specialty Nutrition Group \(SNG\)](#) for the master licensing rights to the State of Florida. CEO Dan Gibbs gave his 1-minute pitch to a cleantech audience of 200 at our Launch Party on March 22nd at the Renaissance Hollywood Hotel.
